P.O. Box 72  
Winona, MS 38967

Dear Brethren,

We have had the wonderful news that Shane and Emily Fisher, sponsored by the Springer Church of Christ (1789 Summertown Hwy, Hohenwald, TN 38462) will be joining us in our work in Winona, MS! For four years they worked in South Korea, teaching in a school program and in the college operated by the church in Seoul. Because of changes in government regulations they have returned to the States but they wanted to continue with mission work. We are thankful that they were recommended to us, and that they will be moving to Winona early in March.

You may not be aware of our team and the work we do. We do have a website (WorldEvangelism.org) but it is being reconstructed and does not contain all of the current information. Since 1962 my husband, J.C. Choate, and I have been involved in foreign missions in Pakistan, India, Sri Lanka and other countries in Asia. We have radio/TV/literature programs there, in addition to the printing of many books here in the States by sound brethren in the faith. Since 1994 we have printed *The Voice of Truth International*, a quarterly magazine that is distributed throughout the world.

Here in the States, in the office we do the layout for the printing work and take care of the many additional office responsibilities. The men report to supporting congregations about the work done overseas; the women teach ladies classes. Overseas, we work with brethren in whatever seminars, Gospel meetings, and other programs in which they can use us. The Bates and the Rushmores are out of the country for a number of weeks in the spring and the fall, in programs in Guyana, Sri Lanka, India, Myanmar, Singapore, Viet Nam, and other places upon request. Brother Bates also teaches in Bear Valley college courses in numerous countries.

Shane and Emily will be fitting in to our pattern of work. Their concern during the first months of being co-workers will be to raise their own personal support and work fund, since all funds committed to us are used in the already-established programs. It will probably be this fall that they will make their first trip overseas, either accompanying the Bates or myself, to take part in the teaching programs there.

I cannot put into words how much the Fishers are needed in this work and how thankful we are that they are joining the team. Only the Bates and I are living in Winona, so when they are overseas, I am responsible for taking care of all of the office work. That is overwhelming, so it will be a tremendous blessing when Shane and Emily can move here and carry part of that load. Please help with their support if you can, and please pray for all of us --both the team here and our co-workers overseas.

For His cause,  
Betty (Mrs. J.C.) Choate
