Dear Brethren,

We are very happy to give our full endorsement to the work of Shane and Emily Fisher. We will be their overseeing eldership as they begin their work with World Evangelism. We have been associated with Shane and Emily for many years as Emily grew up at this congregation and they were married here in 2010. Through the years Shane has preached here as opportunity allowed. We helped support them financially during their 4-year mission work in South Korea. As their sponsoring congregation, we continue to support them financially each month and also serve as depository for other congregations and individuals to send support.

Please feel free to contact us if you have any questions about Shane and Emily and their work.

Yours in Christ,

Shane Blackwood, Elder
